

STEM Challengers

2nd-5th grades: Tuesday 3:00-4:00 p.m.

What do spies, amusement parks, putt putt, and food have in common?! STEM of course! Join us as we use the Engineering Design Process to explore, solve, create, and build our very own cool contraptions!

Grossology II

3rd-6th grades: Wednesday 2:00-3:00 p.m.

You asked for it, and we're offering it again...but this time even GROSSER! Join us as we explore (and create) gross foods, historical habits, worldly wonders, body functions, bugs, and animals...and of course we'll include dissections! If it's gross, it's on the list!

Science Club II

K5-2nd grades: Thursday 3:00-4:00 p.m.

We're baaaaaack! Join us as we explore, explode, and experiment, use STEM challenges, play games, and get super hands-on with science! Light, sound, force, motion, energy, and physical & chemical changes will be explored in kid-friendly ways. You'll come away certain that SCIENCE IS FUN!

ADDITIONAL INFO

- Weekly meetings are held from **September 4, 2017-April 25, 2018**.
- **Each club's tuition is \$400 for the year.**
- **\$25 non-refundable registration fee and \$15 supply fee** for each club are due at time of registration in order to save your child's spot.
